

**Call for Applications**  
**Editor of *VideoEndocrinology***

AMERICAN  
THYROID  
ASSOCIATION  
FOUNDED 1923

The American Thyroid Association (ATA) solicits applications for Editor of ATA's newest journal, *VideoEndocrinology*.

The applicant must be a respected thyroid investigator who has familiarity with video demonstrations and a deep appreciation of how videos can contribute to serious academic study. The candidate must be well organized, innovative, energetic, and dedicated to making *VideoEndocrinology* indispensable to surgeons, clinicians, and scientists alike. Proven experience as an editor, associate editor, or active editorial board member on a peer-reviewed journal is essential. A willingness to work collaboratively with the editors of other ATA journals, **Thyroid** and *Clinical Thyroidology*, to ensure that the journal meets the goals of both the ATA and the Publisher will be required. The applicant must also be proficient in the use of the latest electronic technology to expedite review and publication of submitted videos. The Committee seeks an individual who will give this new video journal a strong launch and ensure the journal's quality, reputation, and scholarship.

The Editor of *VideoEndocrinology* will officially assume responsibility on January 1, 2014, but must be prepared to begin assembling and editorial board and soliciting video submissions to the new editorial operation in mid-October 2013.

Applicants should submit a cover letter, their curriculum vitae, and a general statement outlining their vision and aims for *VideoEndocrinology* during their proposed tenure addressed to Dr. Hollenberg, Editor Search Committee Chair, by email to Bobbi Smith, CAE, ATA Executive Director at [thyroidexec@thyroid.org](mailto:thyroidexec@thyroid.org).

Applications should arrive no later than September 15, 2013. Applications will be reviewed and finalists will be notified by October 1, 2013. The selected EIC would meet with the selected editorial board and Publisher in person during the 83<sup>rd</sup> Annual Meeting of the American Thyroid Association from October 16-20, 2013, San Juan, Puerto Rico. Questions regarding this position may be directed to the Editor Search Committee Chair.
