

YOU ARE INVITED...

to join the ATA in Puerto Rico!

**New this year: Register for the meeting and
book your housing at the same time!**

Details available at www.thyroid.org

Early Bird Registration deadline: July 15, 2013

Beautiful San Juan, Puerto Rico will be the setting for the 83rd Annual Meeting of the ATA featuring renowned speakers on a host of topics including Graves' disease, molecular underpinnings of thyroid cancer development and growth, thyroid autoimmunity and more!

Early riser symposia will be offered on iodine, diagnostic testing of thyroid nodules and controversies in the surgical management of thyroid cancer, as well as plenary talks by:

- Arul Chinnaiyan, MD, PhD, on The Application of Integrative Sequencing for Precision Oncology,
- Sabine Costagliola, PhD, on Embryonic Stem Cell Differentiation into a Functioning Thyroid Gland.

Distinguished Lectures, Meet the Professor Workshops and a Thyroid Cancer Tumor Board: All presented by a faculty of thought leaders in endocrinology, surgery, nuclear medicine, oncology and pathology.
