Progress - We are fortunate to have received more than \$123,442 in donations from 144 donors as of August 17, 2016. BUT - we still need help to reach our goal of \$250,000 by December 31, 2016! Whether a first-time donor or a follow up pledge/donation, your contributions support the future of thyroidology through ATA funded Trainee Education, Trainee Resources, and Trainee Grants.
