

90th Annual Meeting of the American Thyroid Association

Sponsorship Opportunities

Virtual Conference on September 30 – October 3, 2021

AMERICAN THYROID ASSOCIATION
Optimal Thyroid Health for All

ABOUT THE ATA and WHAT SETS US APART!

The American Thyroid Association (ATA) is the preeminent global organization dedicated to the advancement, understanding, prevention, diagnosis, and treatment of thyroid disorders and thyroid cancer. ATA serves the interests of both professional and patient audiences to provide resources, awareness, and education to the thyroid community. ATA's **1700 professional members** are clinicians, researchers, surgeons, advanced practice providers, and related professionals from **70 countries around the world!** ATA's **patient and public audience numbers over 14,500** and we value the opportunity to work together with our professional members and partners in support of our mutual goals of improving the lives of so many patients impacted worldwide by thyroid disease and thyroid cancer.

ATA delivers its mission through the following initiatives:

- Publishing highly regarded professional journals: *Thyroid*®, *Clinical Thyroidology*®, and *VideoEndocrinology*™
- Hosting scientific meetings and research symposia
- Sponsoring and administering research grant programs for new investigators
- Creating clinical practice guidelines for managing thyroid diseases and thyroid cancer
- Providing reliable and accessible thyroid resources and educational programs for patients, the public and families

The 90th Annual Meeting of the American Thyroid Association (ATA) will bring together healthcare professionals who wish to broaden and update their knowledge of thyroid diseases and disorders. With anticipated attendance of more than 1,000 healthcare professionals, the 90th Annual Meeting of ATA will bring together top researchers and practitioners in thyroidology with interests in the fields of **endocrinology, oncology, nuclear medicine, internal medicine, surgery, pathology, radiation oncology, cytology, biology, pharmacology, and related areas.**

WHY PARTICIPATE

NETWORK – Gain access to more than 1000 clinicians and researchers focused on thyroid-related diseases and thyroid cancer. These thought leaders seek to access and learn the latest technologies and therapies to improve patient treatments and outcomes.

VISIBILITY – Strengthen your brand recognition as a leader in the field and supporter of the world's largest community of thyroid professionals. Demonstrate your commitment to improving patient care and advancing science and medicine for a healthier global population.

REACH THE INFLUENCERS

Reach your target audience this year as a sponsor! The 90th Annual Meeting of the ATA offers sponsorship options and packages that are designed to provide visibility with leading thyroid-endocrine experts as well as, the next generation in the field of thyroidology. By signing up to participate, you will reach clinicians and researchers who work in a variety of settings, including academia, private practice, group practice, hospitals, military/government, and independent research institutions. Our members treat patients and conduct clinical, translational and basic research across the field of thyroidology. From thyroid cancer to hypothyroidism and thyroid eye disease, attendees look for the latest breakthroughs and treatment protocols to improve patient outcomes.

As a sponsor of the ATA's 90th Annual Meeting, you will benefit from:

- Unmatched collegiality and direct access to the decision-makers in thyroidology
- Access to contacts to expand your business and team productivity
- Networking with leading global thyroid specialists dedicated to innovation, team-based approaches to treatment and care, excellence in practice and education

We have thoughtfully designed this year's partner prospectus to provide optimal visibility over the course of the ATA's four-day annual meeting. We invite you to review the variety of opportunities available and look forward to welcoming you to our event this fall!
