

2020 ATA Virtual Alliance for Thyroid Patient Education Health Forum

Saturday, November 14, 2020

12:00 – 1:15 pm EST / 9:00 – 10:15 am PST

Thyroid Disease and You...

Do you have any concerns about your thyroid function? Have you or a family member been diagnosed with thyroid disease or have you noticed a lump in your neck? If so, join us for the 2020 Virtual ATA Alliance for Thyroid Patient Education Health Forum.

ATA physician members and representatives from ATA's Alliance Partners will be available to answer your questions and provide insight into thyroid health. Please join us for this free program and confirm your participation here: https://members.thyroid.org/patient_forum_reg

Who should attend?

Anyone experiencing symptoms or concerns about a thyroid problem, or have a friend or family member impacted. Concerns can include overactive or underactive thyroid, thyroiditis, a thyroid nodule, thyroid cancer, or a family history of thyroid problems or related disorders including: rheumatoid arthritis, juvenile diabetes, or pernicious anemia. Free educational materials will be available for all.
