How to Pair Your Mobile Device

Mobile Pairing Guide

Liebert For Mobile (L4M) supports the following devices and operating systems:

- iPhone and iPod running iOS 3.2 or later
- iPad/iPad Mini running iOS 3.2.2 or later
- Android 2.2 or later
- Windows Phone

Don't see your mobile device listed here? You can still view online content via the full version of the site. User experience may vary depending on the type and speed of your connection (3G/4G or WIFI).
A Couple of Things Before Starting

You will need access to a desktop or laptop computer to obtain your pairing code.

You must be logged into the ATA members portal on your mobile device.

Note:
Pairing is valid for 90 days, after which it must be renewed by acquiring a new pairing code.
