

2017 E. CHESTER RIDGWAY TRAINEE CONFERENCE

The American Thyroid Association (ATA) is pleased to announce that the E. Chester Ridgway Trainee Conference will begin the morning of Wednesday, October 18, 2017 and continue through Saturday of the 87th Annual Meeting of the ATA in Victoria, British Columbia, Canada. The "Ridgway" is designed to advance trainee knowledge and understanding of thyroid physiology, disease and treatment. All trainees who have registered for the 87th Annual Meeting of the ATA are automatically enrolled in the Ridgway Trainee Conference.

The ATA offers grant opportunities for ATA Associate members. The ATA Trainee Grant Program supports our early career members by providing complimentary shared room accommodations for up to 5 nights. This fund and space limited opportunity is open to all clinical, surgical and basic trainees, fellows, residents, and medical and graduate students.

GRANT REQUIREMENTS

- 1 Join the ATA as an Associate member \$40.00 (www.thyroid.org).
- 2 Submit an abstract for presentation at the 87th Annual Meeting of the ATA by June 7, 2017.
- 3 Apply for the ATA Trainee Grant Program by June 7, 2017. (Must be ATA Associate member to access grant application on www.thyroid.org)
- 4 Register for 87th Annual Meeting of the ATA and E. Chester Ridgway Trainee Conference by July 15, 2017
