THYROID EXPO theaters are non CME accredited activities. Expo theaters cost $18,000 USD per available time slot (maximum 60 minutes in length). The allotted space is located within the meeting venue and will be pre-set in theater for up to 125 participants. Included in the cost is basic audio visual equipment to include an LCD projector, screen, podium with standard microphone, head table for 2 people with microphone (maximum 2) and one floor microphone. All additional audiovisual equipment or other logistics such as internet service, food and beverage, onsite signage and marketing are the responsibility of each vendor. Expo theaters are available to confirmed meeting exhibitors only.

Satellite Programs:
Satellite programs are non-ATA sponsored educational events larger than 50 persons held before or after the official dates of the 88th Annual Meeting of the ATA or during the meeting when no ATA CME-educational programming is scheduled. Satellite programs take place within the contracted meeting facility or include 88th Annual Meeting of the ATA attendees. Organizations that wish to schedule a satellite program must submit a form (available on the ATA website) alerting the ATA of its intentions, receive approval to proceed and then coordinate logistical details directly with the meeting facility once given the appropriate contact by the ATA. All logistics costs associated with holding a satellite program (e.g., food and beverage, audiovisual, internet, signage, marketing, etc.) are the responsibility of the vendor, not the ATA. Satellite program requests will be considered on a space available basis and approved by the ATA and the hotel at ATAs discretion. Pricing for evening satellite events start at $25,000 USD for up to 2.5-hours of programming and are based on the scope and length of the activity. Exclusive breakfast satellite programs offered on Friday, October 5, 2017 or Saturday, October 6, 2018 that start and conclude prior to the start of the first ATA scheduled session of the day cost $50,000. Preference is given to confirmed exhibitors and/or sponsors of the 88th Annual Meeting of the ATA.

Ancillary Meetings & Events:
Ancillary events are non-ATA sponsored, special group events such as industry meetings, symposia, business or advisory meetings of other organizations, social gatherings, receptions or committee meetings for less than 50 persons that are held during the official dates of the 88th Annual Meeting of the ATA within the contracted meeting facilities or that include 88th Annual Meeting of the ATA meeting attendees. Ancillary events may be scheduled ONLY during the hours approved by the ATA. The cost for a confirmed ATA exhibitor or sponsor to schedule an ancillary event is $2000 USD per event per day dependent upon space requirements and availability of space. The cost for a non-ATA exhibitor or sponsor is $5000 USD per event per day dependent upon space requirements and availability of space. Organizations that wish to schedule an ancillary meeting or event must submit a form (available on the ATA website) alerting the ATA of its intentions, receive approval to proceed and then coordinate logistical details directly with the meeting facility once given the appropriate contact by the ATA. All logistics costs associated with holding an ancillary meeting or event (e.g., food and beverage, audiovisual, internet, marketing, etc.) are the responsibility of the vendor, not the ATA. Requests will be considered on a space available basis. Preference is given to confirmed exhibitors and/or sponsors of the 88th Annual Meeting of the ATA. All requests are scheduled at ATAs discretion.

ATA Event Cancellation Policy:
All cancellations and/or reductions of an expo theater, ancillary event or satellite program must be submitted in writing using the ATA Refund Request Form. If an exhibitor or sponsor cancels an ATA event on or before July 15, 2018, they are entitled to a full refund minus a 10% processing fee. After July 15, 2018, but on or before August 12, 2018, the exhibitor or sponsor is responsible for 50% of the event costs. After August 12, 2018, the exhibitor or sponsor is responsible for the full cost of the event irrespective of the reason for cancellation.

Sponsorship & Support Opportunities:
A variety of sponsorship opportunities are available to ATA partners. Exhibitors and industry sponsors can gain additional visibility by supporting ATA scientific CME-programming or through marketing attached to various meeting items and efforts. Opportunities include, but are not limited to educational grant sponsorship, meeting mobile APP, hotel room key cards, charging stations, meeting signage, bag inserts, advertising in the ATA expo guide, ATA guidelines pocket card sponsorship and more. Due to Accreditation Council for Continuing Medical Education rules, ATA does not allow advertising or marketing within our scientific program book. Thyroid Expo 2018
Rules & Regulations

Show Management:
Show management for THYROID EXPO 2018 will be provided by Inclusive Management Services, Inc. (IMS). IMS is tasked with handling all decorating, exhibit furniture, electricity, additional signs, cleaning, floral, warehouse shipping and handling needs, and all other questions related to THYROID EXPO 2018. A detail show manual regarding available services, pricing and deadlines will be provided to all confirmed exhibitors by mid to late Spring 2018. In case of conflict with the stated Rules and Regulations herein, the rules included in the Exhibitor Services Manual will prevail.

Eligibility:
Exhibition is reserved for firms offering equipment, services and educational resources related to the interests and educational values of the American Thyroid Association (ATA). A description of products or services may be requested or required for any company interested in exhibiting. ATA reserves the right to refuse or require the immediate withdrawal of applications or exhibits that conflict with the standards or purposes of the ATA. ATA also reserves the right to curtail exhibits or parts of exhibits which reflect negatively against the character of the meeting or that are unrelated to the meeting. This applies to displays, literature, advertising, novelties, souvenirs, conduct of persons, etc.

Assignment of Exhibit Space:
Space is assigned on a first-come, first-served basis. ATA will endeavor to honor choice of space as noted on the contract in the order requested. In the event that preferred space is not available, ATA reserves the right to assign alternative space. Exhibitors wishing to avoid assignment of space adjacent to that of a particular competitor should so indicate on their application. Careful consideration will be given to all such requests. If a company’s booth selection is not available, it is management’s policy to assign the best available space option.

Non-Profit Organizations:
501(c) Non Profits must attach IRS documentation with contract and payment. Non-profits will be assigned booths or tabletops at random and are limited to one full-access badge and one exhibits-only staff badge per booth.

Booth Payment:
Checks should be made payable in U.S. Dollars (USD) to the American Thyroid Association (Federal Tax ID # 41-6038600) for the full amount of the booth, with the application/contract signed and sent to the American Thyroid Association, Inc., 6066 Leesburg Pike, Suite 550, Falls Church, VA 22041, USA, phone 703-998-8890, fax to 703-998-8893, email to meetings@thyroid.org.

Personnel:
The ATA requests that the names of all exhibit personnel be registered online on the 88th Annual Meeting of the ATA exhibitor registration site by August 12, 2018. One (1) complimentary exhibitor full-access badge and one (1) exhibits-only access badge is available per each 8’ x 10’ exhibit space payment. Additional exhibitor-only badges are available at the discounted rate of $175 per badge. Additional full-access exhibitor badges (beyond the total stated herein) are available at the prevailing individual meeting registration rate.

Exhibit Space Cancellation & Reduction Policy:
All cancellations and/or reductions must be submitted in writing. If an exhibitor cancels or reduces assigned space on or before July 15, 2018, they are entitled to a full refund minus a 10% processing fee. After July 15, 2018, but on or before August 12, 2018, the exhibitor is responsible for 50% of the contracted space. After August 12, 2018, the exhibitor is responsible for the full cost of the contracted space irrespective of the reason for cancellation. Withdrawal notice does not eliminate financial responsibility for booth with downsizing or withdrawing.

Be a Good Neighbor:
The general rule of the exhibitor floor is: Be a good neighbor. No exhibits will be permitted which interfere with other exhibitors, impede the access to each booth or impede the free use of the aisle. Booth personnel including demonstrators are required to confine their activities within their contracted booth space. Apart from the specific display space for which an exhibiting company has contracted with ATA, no part of the exhibit floor space may be used by any other organization. All additional space or meeting requests must be approved by the ATA headquarters office. All giveaway items must be distributed within the exhibitor’s booth. No balloons may be distributed. Items that cannot be stored in sufficient quantities within this space are not appropriate. The process of distribution must not interfere with the orderly conduct of business by other exhibitors or participants.

Booth Information:
Displays must fit within the confines of your booth space. All standard booths are 10 feet wide and 8 feet deep and must not protrude more than 50% from the back wall so that they do not impede sight line from one booth to the next. Island booths with aisles on all four sides may not block views of surrounding booths and should provide adequate see-through areas and entrances for easy flow of traffic. No exhibit structure may span an aisle by roofing or floor covering. Exhibit and/or display components exceeding 12 feet in height must be approved by the ATA and show management prior to installation. Move-in/ setup may not begin without written preliminary approval of plans by the ATA and exhibit show management. Any changes required to bring an exhibit into compliance with ATA policies and display rules shall be made at the exhibitor’s expense.

Subletting of Booth Space:
Subletting of exhibit booth space is prohibited. The exhibitor agrees not to assign, sublet, or apportion space or any part thereof allotted to him/her, nor to exhibit, advertise, or offer for sale goods other than manufactured or sold by him/her in the regular course of business. Any person or firm subletting space, as well as the one purchasing space, will be subject to eviction. No refund will be made for space reserved.

Installation and Dismantling:
The installation and dismantling times for the show are provided with the Exhibit Schedule included herein. It shall be the duty and responsibility of each exhibitor to install its exhibit before the specified opening time and to dismantle and arrange for shipments of the exhibit immediately after the close of the exhibit hall. ATA reserves the right to refuse installation and dismantling
outside the designated hours. Exhibits must remain intact until the official closing time of the show and may not be dismantled or removed, in whole or in part, before that time. An early dismantling fee of $500.00 USD may be assessed to any exhibitor who dismantles any booth space before the official closing date of the exhibit show without approval from the ATA.

Exhibitor Information and Documents:
The primary contact provided on the exhibitor application will receive all 88th Annual Meeting of the ATA updates and information unless another designee is provided and authorized by the exhibitor. Each exhibit company will be provided with information and deadlines to register booth personnel and reserve hotel reservations a minimum of 12 weeks prior to the show. In addition, ATA will provide information and deadlines to receive information to include, but not limited to: a maximum 100-word brief description of the exhibitor, its services and/or products, the exhibitor company logo (.jpg and .eps photo format preferred), and the company's website address to be included in the meeting program book and other possible promotional materials. An exhibitor kit to assist with booth furnishings, any special arrangements and shipping to and from the show will be provided by ATAs show management to confirmed exhibitors a minimum of 12 weeks prior to the show.

Termination:
The ATA shall have the right to terminate the exhibitor's rights pursuant to this contract at any time immediately upon discovery of a violation of any provisions herein. The exhibitor agrees that in the event of termination for such violation, any costs associated with preparing for THYROID EXPO 2018 shall be at the expense of the exhibitor.

Liability & Security:
The exhibitor assumes all responsibility for compliance with local, city, state, provincial safety, fire, health, and hotel ordinances regarding the installation and the operation of this exhibit. The ATA does not provide security for the exhibitor and has no responsibility for theft of or damage to exhibitor's property. Exhibitors are cautioned to have a representative in attendance during set-up, dismantle, and show hours and to maintain security of portable electronics (e.g., laptops) at all times. The exhibitor assumes all liability to property, person or persons arising from accidental or other causes incidental to movement and operation of the exhibit and hereby releases ATA, its contractors, and the Marriott Marquis Hotel from any liability whatsoever. Exhibiting companies are required to provide ATAs show management IMS with a certificate of insurance prior to the show noting the dates of 88th Annual Meeting of the ATA, October 3-7, 2018, and coverage for the ATA and the Marriott Marquis Hotel. Exhibitor appointed contractor letters will also be required from any exhibitor who uses a vendor other than the official THYROID EXPO 2018 vendor to assemble any special booth layout or plans. Letters may be sent to meetings@thyroid.org.

Hanging Signs and Graphics:
Hanging signs and graphics are allowed only above standard island booths and with restrictions. If you are interested in utilizing a hanging sign, please contact ATA Meeting management. Approval of the use of hanging signs and graphics at any height should be received from the ATA and show management at least 60 days prior to installation. Variances and exceptions may be issued at the ATAs discretion. Drawings should be submitted for inspection and approval to show management.

Storage of Crates and Boxes:
No combustible decoration, such as crepe paper, tissue paper, cardboard or corrugated paper shall be used at any time on the show floor. ALL packaging containers, excelsior wrapping paper, must be flameproof and must be removed from the floor (not stored under tables or behind displays). All muslin, velvet, silken, or any other flammable decoration must be flameproof. ALL materials and fluids, which are inflammable, are to be kept in safety containers. Open flames, butane gas, oxygen tanks, etc., are not permitted without the written permission of the meeting facility and all the applicable fire control agencies having jurisdiction. The use of hay or straw is strictly prohibited within the Marriott Marquis Hotel.

Hold Harmless Agreement:
Each exhibitor agrees to: protect, save and keep the ATA and its representatives forever harmless from any damages, liability or charges imposed for violation of this agreement, and/or any law or ordinance, whether occasioned by the negligence of the exhibitor, or those holding under the exhibitor; to strictly comply with the applicable terms and conditions contained in this agreement between the ATA, its representatives and the Marriott Marquis Hotel; and to hold harmless the ATA, its representatives and Marriott Marquis Hotel against and from any and all loss, cost, damage, liability or expense arising from, or out of, or by reason of any accident or the reoccurrence to anyone, including, but not limited to the exhibitor, its agents, employees, business invitees and permits, arising from or out of or by reason of said exhibitor's occupancy and use of the exhibitor premises or a part thereof. In the event that the premises of Marriott Marquis Hotel shall be destroyed or damaged, or if the show fails to take place as scheduled or is interrupted and/or discontinued or access to the premises is prevented or interfered with by reason of any strike, lockout, injury, accident of war, act of God, terrorism, emergency declared by any governmental agency or by the Exhibit Manager for any other reason, this contract may be terminated by the ATA. In the event of such termination, the exhibitor waives any or all damages and claims for damages.

Listing and Promotional Materials:
By exhibiting at THYROID EXPO 2018, exhibitors grant ATA a fully paid, perpetual, non-exclusive license to use, display and reproduce the name or logo of the exhibitor in any directory or listing of the meeting exhibitors and to use such names in promotional materials. ATA shall not be liable for any errors in any listing or for omitting any exhibitor from any directory or listing pertaining to the meeting.

General Matters:
All matters and questions not specifically covered by the provisions of this agreement are subject to the decision of the ATA. The ATA shall have the right, but not the duty, to amend the provisions hereof relating to exhibit guidelines at any time, and said amendments and/or additions shall be binding on parties hereto. In the event of any amendment or additions to these regulations, written notice will be given by the ATA to such exhibitors as may be affected by them.

Severability of any Provisions:
Should any part of this agreement be found by a court of law or equity to be void, unconstitutional or unenforceable, the remaining provisions of this agreement shall remain in effect and enforceable.

Regulation Enforcement:
ATA has full power to interpret and enforce all regulations for the 88th Annual Meeting of the ATA and power to make amendments and/or further regulations that are considered necessary for the proper conduct of the show. Such decisions shall be binding on exhibitors. Failure to comply with these or any other regulations or amendments may be sufficient cause for ATA to require the immediate removal of the exhibit and/or the offending exhibitor. This may result in forfeiture of all further rights to exhibit at future shows sponsored by ATA together with all fees paid. ATA may lease any space so forfeited to another exhibitor. ATA reserves the right to reject any or all applications. Any person or group of persons asked to leave the exhibit hall by show management or security will do so at once and will not return until authorized to do so.

Music Licensing:
The ATA does not obtain American Society of Composers, Authors and Publishers (ASCAP) or Broad Music Incorporated (BMI) licensing that will allow the use of copyrighted, recorded music in your booth. Exhibitors interested in playing copyrighted, recorded music in their booth must notify the ATA in writing or obtain the proper license from BMI (Phone: 1-866-BMI-LICS). ATA will not permit said activity without obtaining the proper licensing. Each exhibitor is responsible for its own actions if proper licensing is not arranged prior to playing copyrighted, recorded music in the booth. If an exhibitor playing copyrighted music cannot produce the proper documents, ATA has no choice but to request that the music be turned off.

Americans With Disabilities Act (ADA):
All exhibiting companies are required to be in compliance with the American with Disabilities Act (ADA), and are encouraged to be sensitive, and as reasonably accommodating as possible, to attendees with disabilities. Information regarding ADA compliance is available from the U.S. Department of Justice ADA Information Line, (800) 514-0301, and from the ADA website at http://www.ada.gov/. Exhibitors shall indemnify and hold harmless ATA from and against any and all claims and expenses including attorney and litigation expenses that may be incurred by or asserted against ATA on the basis of the Exhibitor's breach of noncompliance with any provision of ADA.

Union Labor and Other Contracts:
Exhibitors are required to observe all contracts as well as all rules and regulations in effect between service contractors and the Marriott Marquis Hotel.

Cancellation of Event:
It is mutually agreed that in the event of cancellation of the 88th Annual Meeting of the ATA as a result of strikes, governmental regulations or other causes which would prevent its scheduled opening or continuation, this agreement will be terminated immediately, and the ATA shall determine an equitable basis for the refund of such portion of the exhibit fees as is possible, after due consideration of expenditures and commitments already made.
