Please apply donation to the following Centennial Fund:

Recognizing Our Past & Celebrating the Future - This assists in developing activities and products that capture, record and disseminate knowledge about the growth and development of the ATA. It will also help support initiatives that celebrate the Centennial. Examples include video productions and resources of ATA's history, founders, and leadership, onsite activities at the 2023 ATA Annual Meeting, travel grants for the 2023 ATA Annual Meeting. Unused funds after the Centennial Year will be transferred to the ATA Annual Fund for future use.

Ensuring Our Future - This fund is a donation to the ATA General Fund. It will be added to the Endowment's unrestricted funds, which are used to support ATA and strategic initiatives in the future.
